STUDIO POLICY

Lessons are scheduled once per week, unless discussed otherwise. We may have lessons in my home or yours. Additional lessons can be scheduled if time is available. It is my responsibility to assign the music and exercises I find appropriate for each student. I encourage students to bring music they would like to work on, but please understand that I have the decision to decide whether the student is capable of playing the piece or not.

If Student has a learning disability, please inform me before we begin lessons. It is great to know about the student and how I should accommodate beforehand.

Parents if you are sitting in while I am giving the lesson I say this with the upmost respect. Please respectfully let me teach. It is very hard to teach a student when a parent continuously interrupts or tries to help as well. If I require help I will ask, thank you. ☺

ATTENDANCE

Regular and punctual attendance is very important for each lesson. If you are late, please let me know as early as possible, depending on tardiness we may have to reschedule. **If you need to cancel, please let me know at least 24 hours in advance unless it is an emergency. If you are a "no show" you will be charged for a full lesson. I am not obligated to make up that lesson.**

***Please note:** I am a freelance musician and sometimes my schedule will have to change last minute due to rehearsals or performances. I will do my best to keep your scheduled lesson time. If I can't accommodate your original lesson, I will work with you to reschedule or postpone your lesson to the following week.*

STUDENTS RESPONSIBILITY

Students are required to be prepared for each lesson. Treat the assignment given as homework, the more efficient work you do, the faster you will improve! **If child is under the age of 18, parents will need to help monitor and maintain child's practice. It is very hard to practice on your own, so your help and encouragement will keep them going!**

Students are required to carry their assigned book(s), exercises, and their notebook to each lesson. Please remember to also bring your violin, rosin and shoulder rest to each lesson. I do not always have a spare, so it is important to come prepared.

PAYMENT

Payments are to be made in full. It can be paid in different ways using **cash, check,** or apps such as **Zelle/Venmo/Cash-app/Paypal.**

Depending on what we discuss you can pay me the following ways.

- Beginning or end of each lesson
- First of each month
- Last of each month

I am looking forward to starting lessons with you!!!!
